Visit the Downloads section on the official website and select the corresponding lens to download its latest firmware file:

<https://www.hasselblad.com/my-hasselblad/downloads>

WHAT'S NEW

- Added support for the Hasselblad X Extension Tube (9mm).

NOTES

- First mount the lens to the camera body, then update the firmware by following the instructions in the user manual or user guide of the corresponding camera.
- "Update is completed" will be shown on the touch display once the update is successful.
